This 1,546 m2 land parcel consists of three blocks of land with dual street frontage (potential opportunity to also buy a fourth block increasing the land area to over 2,000 m2) in the heart of Surfers Paradise.

The property is currently an operating 200 bed backpackers with pool and licensed bar and is strategically located only 300m from the famous CAVILL AVENUE and approximately 700m from the beach. Such a prime and rare location in the middle of the tourist hype of Surfers Paradise.
