Welcome to your private paradise on a very generous 5,440m2 allotment that is rare to find so close to the city. Beautifully maintained and landscaped with enough room in the backyard to host horses or to let the kids roam on the near-flat surface!

You'll be located right in the heart of the Gold Coast where everything you require is less than a 10-minute drive away. The owner has kept the single-level residence looking its best while raising a family over the last 20+ years and the property is now ready for another family or owner wanting to enjoy the peace with nothing left to spend. The beauty is that you could choose to further modernise the house to suit your personal taste if you wish but it absolutely not a requirement and is available for you to move in now.

You will enjoy multiple living areas and dining zones, there
